

# PSALMS OF ASCENT

WEEK 3

## DAY 1: READ PSALM 125:1 & JOHN 15:1-16

God does not change. Bodies fail, politics change and wealth shifts like the tides. True nutrition and unfailing provision come from Jesus. Hope and protection come from the unfailing promises of God. Are you anxious today? Choose to lean into Jesus by saturating in God's word, talking to Him in prayer and seeking to love people like He first loved us. He won't lead you astray.

## DAY 2: READ PSALM 125:2 & HEBREWS 12:18-29

We serve a God who cannot be shaken! Because of this unshakeable covenant we have in Jesus, we can find rest, peace, protection and provision in the presence of God. There is no expiration date or threat of the ink fading over time. Nothing can overcome or smash through the God of all creation, whose breath gives life, melts mountains and speaks in love to us. Are you anxious? Focus today on the unfailing promise of God we have in Jesus.

## DAY 3: READ PSALM 125:3 & JOSHUA 1:1-9

Nothing can overcome the promises of God. We mess up and do wrong when we stop trusting Him to accomplish what He promised He would do. Just as the Lord led His people out of Egypt, won their battles in foreign lands and rescued us from death in our sins, we must remember to stay faithful and confidently trust the Lord to fulfill His promises and accomplish His will.

#### **DAY 4: READ PSALM 125:4 & 2 SAMUEL 22**

The Lord's faithfulness is reason enough to worship. How has God blessed you since you came to know and serve Jesus? Have you thanked Him? Have you shared this with someone else? Find a way to do both today. We serve the God of all creation, so get creative!

#### **DAY 5: READ PSALM 125:5 & PHILIPPIANS 3**

Everything God has promised will come to pass. He has promised to righteously judge all people. He has also promised us life under the redeeming blood of Jesus. He will continue to vindicate His perfect character and fulfill every promise. Until He returns and calls us all to account, how can you help others escape the path of destruction and find true life in Jesus? Who can you share the love of Jesus with today? Do it!

#### **DAY 6: READ PSALM 91**

Let's cling to the Lord in love. He is our shelter, our place of rest, our source of everything we need, our defender, healer and only source of everlasting life. Do you trust Him? Tell Him! Today, talk to God throughout the day and declare your trust in Him in every situation. Rejoice in His affection for you.
